Pep Club

Many people feel that Pep Club is not such an over all good credit to the school. While president, I found out that it is much more than a bunch of girls running around in red uniforms.

To have a good and successful club, every member has to work together and every member has to really want to be a member. This year we did about the same things that are usually done. We made signs, went to surpentines, games, and we tried to contribute some spirit.

Sincerely,

Rhonda Kinsey
President of Pep Club
